As part of our **NEW** Just Play Sports Programs, SPR is excited to offer spring Coed Flag Football!

What are Just Play Programs with SPR? Our newest offering, our intention for these programs is to let kids JUST PLAY. Think old-school pick up style; teams will be formed on a drop-in basis and games are focused on fun! **This special Just Play offering will use the guidelines and build off the success of our NFL Flag Football fall program.**

Games will be pick-up style with new teams created each week based on numbers so if you cannot commit to every game, it will not affect your team! Players will get to try all positions. Volunteers will be needed to help organize teams and subs.
