

Ashlyn Bourque, Director

Hi my name is Ashlyn and I will be the Director at Pepperell Pathfinders. I have worked for Saco Parks and Recreation in the after school and summer camp programs for a little over five years now. Working with kids is something I plan to do for the rest of my life; working at Saco Parks and Recreation is what inspired me to want to be a teacher. I just recently graduated from the University of Maine with an Elementary Education major and Child Development minor. I am hoping to teach first and second grades in the future. In my free time I love to do outdoor activities like hiking, camping, and going to the beach. I am a big animal person: I have a Saint Bernard and an English Bulldog that I love to take on walks and play with in my free time. I can't wait to get to know you and our campers - we are going to have an awesome summer!

Get to know our summer camp director and leaders!

Hanna Goulet, Leader

My name is Hanna. I have worked at SPR for 6 years now, working with multiple programs such as Summer Camp, After The Bell, t-ball, soccer and special events. I just finished my freshman year of college at the University of Maine, where I am majoring in Social Work. Some of my hobbies include volunteering, hiking, boating, going to the beach, and spending time with my family. I am excited to start the summer, and meet all of you! It's going to be amazing!

Tommy Cote, Leader

Hello! My name is Tommy and this will be fifth summer with Saco Parks and Recreation. This summer I will be a leader at Pepperell Pathfinders camp. I am a Junior at Husson University where I am studying education with a minor in English, and my goal is to become a teacher. At Husson I also participate on the swim team. In my free time I enjoy hanging out with friends and family and doing anything outdoors such as hiking, biking, playing tennis, or spending time at the beach or lake. I am looking forward to summer camp and know that it will be the best summer yet!

Marc Paquette, Programmer After 38 years with the Saco Fire Department, Marc joined our department last year on the recreation team! Marc has his degree in Education from UMaine, and primarily works with the Youth Sports and After School Programs here at SPR. In his free time he enjoys outdoor activities, sports, and hanging with his family!
