Colby Vachon, Leader

I am a student at Maine Maritime Academy in the class of 2023. My career goal is to become a Marine Engineer and be able to travel the world while working on my ship. Some of my hobbies include playing lacrosse, skiing and going to the gym. In my family I have one sister and live with my dad and my step mother. This summer is going to be my fifth year working for SPR. I love it and I am excited to have another incredible summer!

Katherine Sevigny, Leader

My name is Katherine. This is my third summer working at this camp, and my second summer on the leadership team. During the school year, I teach Special Education at Wells Elementary School in Wells, Maine. I also coach youth soccer, youth basketball, and tee ball for Saco Parks and Rec, and coach Junior High basketball, Junior High softball, and Little League softball in Wells. Outside of work, I love all New England/Boston sports teams! I love to read, go to the beach, hang out with family and friends, and go to sporting events. I look forward to another wonderful summer!

Alyssa Clark, Programmer Hi! My name is Alyssa Clark and I am a Recreation Programmer for our Department.
